

Happy New Year

Well here we are with the first issue of News Bytes for the New Year, 2010 was a great year for the Wyoming section.

The 2010 Hamfest was a huge success, in Casper, as was Field Day in June. Our numbers grew which means that we are doing a Great job of getting the word out that Amateur Radio is still alive and well.

You will also notice the name change for the Newsletter, I felt The new name would give us a more professional appearance, and, Sound more professional.

My hope is that we can build on the accomplishments of 2010 And do even more to gain public awareness and have more events To get the public involved, and grow our numbers even more.

New Youth Assistant Section Manager

We now have a Youth Assistant Section Manger, her name Hailee Howery, KF7CBC. She will be in charge of all amateur Activities that have to with youth in Amateur Radio, including Hams in schools, JOTA etc. Please join me in wishing Hailee much success in this position And in all that she does.

NEWARA

The Northeast Wyoming Amateur Radio Association had their Annual meeting on January 8th 2011 where 3 members of the Board of directors was elected the members are: Christine Butler, KE7ZHV New Member Richard Klinker, KD7QDM Returning Member Jim Kinney, KD7ZUP Returning Member

The 2 members not up for re-election this year were:

Bob Davis, WG7Y Garth Crowe, N7XKT

That evening they had their Holiday get-Together where they Awarded the ham of the Year award to Del Howery Jr., AD7KI.
